## Recognition for 100% Delivery Performance

Henkel Thailand has been recognized for its 100% Delivery Performance by Ford Motor Company of Thailand at the Ford Thailand Manufacturing Supplier Conference on 12 December 2018.

For 12 consecutive months, Henkel Thailand achieved perfect score for fulfilling 14 criteria, which include quality of shipment, on-time delivery and service. Henkel Thailand also won the votes of Ford's supplier manufacturing readiness team and the supply chain management team to receive the award. For these teams, a key consideration was how well the supplier manages the various orders from different plants.
